

REMARKS

Claims 1, 2, 4-9 and 11-22 are pending in this application. By this Amendment, claim 22 is amended to correct antecedent basis. No new matter is added.

Applicant respectfully submits that the amendment to claim 22 should be entered under the provisions of 37 C.F.R. §1.312 and MPEP §714.16 because it (1) merely embodies the correction of a formal matter without changing the scope of the claim because it corrects antecedent basis; (2) is needed for proper disclosure or protection of the invention because pending claim 22 lacked proper antecedent basis; and (3) will not require substantial additional work by the examiner because it is a clear error that does not affect the scope of claims. This amendment was not presented earlier because Applicant's representative became aware of this informality after allowance.

In view of the foregoing, consideration and entrance of the Amendment After Allowance is respectfully requested.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
